5. AUDIT NOTE: WHY ARE ONLY 9-11 LEADS SHOWN IN "FULLY PAID"?

- Strict Code Logic: The system only marks a lead "Fully Paid" when Pending Balance is EXACTLY Rs. 0 (100% matched).
- 36 Completed Leads are 90% - 99% Paid: Over 36 clients have paid almost everything with minor pending balances (e.g., Kamarun Nisha has Rs. 2,000 left, Vidhya Patle has Rs. 4,000 left, Lalit Itankar has Rs. 5,000 left).
- Because even Rs. 1 or Rs. 2,000 is still pending, the computer cannot categorize them as "Fully Paid (Rs. 0 Due)".
- As a result, these 36 clients (and others) are listed under "Payment Dues" until their last final rupee is cleared.
